- **Renaissance School, Bulandshahr** 2018 - 2019
Senior Secondary Education (CBSE) in Computer Science – 78%

SKILLS

- **Languages:** Java, JavaScript
- **Lib/Frameworks:** Node, React, jQuery
- **Tools:** Git
- **Platforms:** AWS, GitHub, Netlify, Heroku, Firebase
- **Databases:** SQL, MongoDB, Firestore

EXPERIENCE

Web Developer Intern - yourFirstAd Dec 2020 – Feb 2021

- In this Organisation, I worked on creating a platform that is a sort of influencer marketing where people can find creators and brands based on their niche.
- The tech stack I have used is **React and firebase**.

Software Engineer Intern – 21st Cloud Aug 2020 – Sept 2020

- 21stCloud is an American startup where I've worked on creating a matrimonial web app as an intern for two months.
- Here I worked majorly on **NodeJS and MongoDB**.
